

When investigating your complaint, we aim to:

- Ascertain the full circumstances of the complaint
- When possible, arrange for you to discuss the problem with those concerned, if you would like
- Provide an apology, where this is appropriate
- Identify what the practice can do to make sure that the problem does not happen again

COMPLAINING ON BEHALF OF SOMEONE ELSE

Please note that Wyre Forest Health Partnership keeps strictly to the rules of medical confidentiality. If you are complaining on behalf of someone else, the practice needs to know that you have their permission to do so. A note signed by the person concerned will be required, unless they are incapable of providing this due to illness or disability.

IF YOU WANT TO COMPLAIN ABOUT SERVICES FROM SEVERAL ORGANISATIONS

LET THE PRACTICE KNOW YOUR VIEWS

Wyre Forest Health Partnership is always looking for ways to improve the services it offers to patients. To do this effectively, the practice needs to know what you think about the services you receive. Please tell us what we do best, where we don't meet your expectations plus any ideas and suggestions you may have about our care. Only by listening to you can the practice continue to build and improve upon the service it offers.

TELL US ABOUT OUR SERVICE BY COMPLETING THE COMMENTS FORM IN THIS LEAFLET

For example,

- Could you easily get through on the telephone?
- Did you get an appointment with the practitioner you wanted to see?
- Were our staff helpful and courteous?
- Or complete one of the Friends & Family forms

PRACTICE COMPLAINTS PROCEDURE

If you have a complaint about the service you have received from any member of staff working here, please let us know. We operate a Complaints Procedure as part of the NHS system for dealing with complaints. Our complaints process meets national criteria.

Note: *If you make a complaint it is our policy to ensure you are not discriminated against, or subjected to any negative effect on your care, treatment or support as a result.*

HOW TO COMPLAIN

The NHS Complaints process gives the option to complain to either the Provider of the service (Wyre Forest Health Partnership), else to the commissioner of the service, NHS England. NHS England can be contacted on 0300 311 22 33.

The practice management team hope that if you have a problem you will chose to use the Practice Complaints Procedure. In the first instance, please discuss your complaint with the staff member concerned. Where the issue cannot be resolved at this stage, please contact the Site Manager, where are you registered. They will try to resolve the issue and offer you further advice on the complaints procedure.

If you wish to make a formal complaint, please let us know as soon as possible, ideally within a matter of days. This will enable us to gain a clear picture of the circumstances surrounding the complaint.

If it is not possible to raise your complaint immediately, please let us have details of your complaint within the following timescales:

- Within 12 months of the incident that caused the problem

OR

- Within 12 months from when the complaint comes to your notice

We will acknowledge your complaint within three working days.

We will offer to meet with you to discuss the complaint, to agree with you how the complaint is going to be investigated and the timescale for this to be completed.
